Congratulations on your selection of beautiful, handcrafted, NEFF Beautiful Living furniture. Every piece is different and by choosing your stain colour, finish, and hardware, you have personalized a piece of furniture that is unique to you.

HOW TO CARE FOR FINISHED FURNITURE:

- Use a lint-free cloth to wipe wood furniture on a weekly basis.
- Keep furniture away from heating and air conditioning sources to prevent loss of moisture and avoid direct sunlight to prevent fading or darkening.
- Do not use abrasive or harsh chemicals on finished furniture.

HOW TO SPOT CLEAN FINISHED FURNITURE:

- To remove food stains, wipe immediately with a soft, clean cloth.
- To remove cloudiness, wipe surface with cloth dipped in one of our below recommended cleaning products mixed with equal parts water. Wipe in the direction of the grain until surface is completely dry.
